Music Position Openings: Choir Director, Organist, or Choir Director/Organist

Choir Director: Approximately 4 hours a week / September through June
Salary Range \$3300 – \$3800 / Commensurate with qualifications and experience.

Responsibilities:

1. In consultation with Pastor, select and prepare music for Sunday worship service and other special church services during the year.
2. Oversee the purchase of needed music and maintain choral files.
3. Rehearse the choir on Wednesday evenings and ½ hour before Sunday service.
4. Arrange for special music during summer services when choir is on vacation.

Requirements:

1. Understand the spiritual nature of worship.
2. Have knowledge of vocal technique and existing sacred choral literature.
3. Ability to work with volunteer musicians.

* **Organist/Pianist:** Approximately 4 hours per week / 52 weeks (4 weeks paid vacation) / Starting July, 2008
Salary Range \$4100 - \$4600 / Commensurate with qualifications and experience.

Responsibilities:

1. Rehearse with Choir on Wednesday evenings and before Sunday service.
2. Provide music for Sunday service and special Church programs.
3. Inform Music Committee of tuning or repairs needed on piano and organ.
4. Serve as ex officio member of Music Committee.

Requirements:

1. Understand the spiritual nature of worship.
2. Proficient on organ as soloist and accompanist.

* A capable pianist willing to learn organ technique will be considered.

Choir Director/Organist: Approximately 6 hours per week (4 weeks paid vacation) / Starting July, 2008
Salary Range \$7200 - \$9300 / Commensurate with qualifications and experience

The First Baptist Church is privileged to own one of the finest organs west of the city of Rochester. Our Aeolean-Skinner Organ was originally built in 1947 to the specifications of Harold Gleason, former head of the Organ Department at Eastman School of Music. When Gleason retired in 1969, the organ was purchased by Brockport First Baptist. This beautiful organ, with 3 manuals, 24 stops and 1,281 pipes was restored in 2007 by Parsons Pipe Organ Builders.
